BAKERY BISTRO BAR

About Us

Nassim Hill Bakery Bistro Bar is a spacious and welcoming destination located in the quiet neighbourhood of Tanglin, just a short ride away from Orchard. Open from 8am till late, the place transforms from a friendly brunch café in the day, to a comfortable, warm dining place in the evenings. Beautiful stained glass windows and wooden furniture give the place a rustic, cosy vibe.

While we are known as a popular brunch place with our own fresh bakes, the fare for dinner is also simple, warm and comforting. Choose from our carefully curated wedding menu, or customize a menu if you have any special requests.

We look forward to hosting your cosy and intimate wedding celebration.
